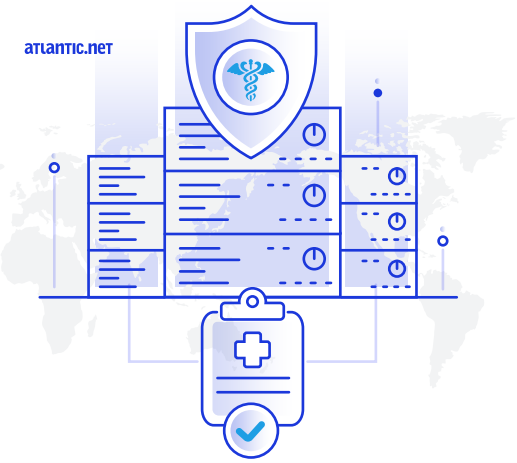
CELEBRATING 30 YEARS OF EXCELLENCE

HIPAA COMPLIANT HOSTING

About Atlantic.Net

With over thirty years of experience in securing highly available and compliant networks, Atlantic.Net has the institutional knowledge and experience to design secure and compliant systems to meet stringent regulatory requirements like HIPAA. Atlantic.Net provides a tested and trusted HIPAA compliant hosting solution to ensure physical and environmental controls, operational safeguards and management oversight of the environment. Our HIPAA-compliance-ready hosting provides an isolated and secure environment for each customer's applications and databases, helping them to be fully compliant with government regulations.



HIPAA HOSTING FEATURES

- Business Associate Agreement
- HIPAA Audited
- SOC 2 & SOC 3 Audited
- Intrusion Prevention Service
- Fully Managed Firewall
- Vulnerability Scans
- IP Reputation
- Anti-Malware Protection
- Log Management System
- Blended Bandwidth
- Linux & Window Servers
- Encrypted Backup, VPN, and Storage

"As our reliable Healthcare IT compliance partner for the past ten years, Atlantic.Net continues to deliver advanced IT architectural design and security guidance and support to CHS. With their flexible, customized solutions and high touch approach, we look forward to continuing to grow and work with this distinguished team of professionals."

–***Joseph Nompleggi,*** *VP of Product Development of Complete Healthcare Solutions*

"Atlantic.Net is an innovative cloud services provider who not only secures our data and protects our network, they're our trusted partner to help us adhere to the rigorous security complexities of HIPAA compliance. The value provided by Atlantic.Net's flexibility and their "white glove" approach to customer service makes them the perfect partner for us. We are now able to focus on our business instead of supporting infrastructure issues. We feel extremely fortunate to work with the entire team at Atlantic.Net."

Ben Dappen, CIO, Cerbo

CELEBRATING 30 YEARS OF EXCELLENCE

HIPAA COMPLIANT HOSTING

HIPAA Managed Service

In addition to our hosting services, Atlantic.Net provides a number of different managed services to assist healthcare providers in meeting their HIPAA compliance needs. Whatever your hosting needs as a healthcare provider, Atlantic. Net's got you covered. Custom-built HIPAA-Compliant Hosting solutions are our specialty, and we have decades of experience in providing them. It's not just our expertise that makes us a great choice, though - it's also our infrastructure.

Share with us your vision and goals, and we will develop a healthcare hosting environment tailored to your HIPAA Compliance needs!
